Email to Gulzar Ahmad in response to his letter for law program provisions - 26 August 2024.pdf; Response letter to Usama Malik - 14 Sep 2023.pdf;

Dear Mr Gulzar Ahmed,

I am writing this email with huge disappointment that despite our prompt, detailed, evident and required response to your letter dated 24 August 2024, our centre name has been published on Pakistan Bar Council's website with inaccurate and negative interpretation which has caused us serious business and reputational loss.

You are requested to please immediately remove our centre name from your [website link](#), further review and understand our response dated 28 August 2024 and let us know if you still need any further clarification on the matter. Pakistan Bar Council is a reputable and very responsible department, and we do not expect such an irresponsible act from this department. This act is also a concern on the integrity, knowledge and qualification of the people assisting and dealing with these matters at PBC.

Please note if our name is not being removed from your website within 7 days of this email, a legal action will be taken against the relevant parties.

We are happy and more than willing to assist you even further with the matter, however a proper and just process shall be followed by your department.

Your quick and just response is expected and will be highly appreciated.

Dear Mr Ahmed,

I am writing in response to your letter (copy attached) where you have sought clarification on our Law Program. Please note that we are not offering LLB (external program) in partnership or collaboration with Bloomsbury Institute London. We only offer Level 4 and 5 Extended Diploma in Law, which is awarded by Awards for Training and Higher Education (ATHE), UK. We have an agreement in place with Bloomsbury Institute London according to which they accept holder(s) of

Level 5 Extended Diploma in Law (awarded by ATHE) to the 3rd year of LLB in their campus in London.

We also had a meeting with your Director Mr Usama Malik on 13 Sep 2023 at his office where we clarified our provisions, and everything was appropriately dealt with and his instructions were duly followed. Please also find attached the copy of the response letter sent to Mr Malik on 14 Sep 2024.

Additionally, you will find attached Centre Approval Certificate issued by ATHE to us to offer their qualifications.

I hope the above motioned explanation will suffice.

For any further information please feel free to contact us.
